ocation:		
Reason:		

Include your original Drivers License with this application so we can make a copy.

Each applicant, partner, or officer of the company / business must fill out a application for a police background check.

FINGERPRINTING:

Background check finger printing is generally done through the Identgo website; https://uenroll.identego.com. This is the service mandated by the State of New Jersey. The Clementon Police Department and Borough of Clementon have no affiliation with this service.

Keep this form.

You will need the Clementon Police Department ORI number, and/or the following service codes:

ORI Number – NJ0041000 Local Ordinance – 2F17ZY Alcohol Beverage License – 2BZZQK

There are limited circumstances where ink fingerprints are taken at Police HQ. If you have been provided with fingerprint cards or were directed to Police Headquarters to have ink fingerprints taken, please contact police records during business hours at 856-783-2271.

Notify the Planning & Zoning Department once you have completed the fingerprinting process to initiate your background check. Fingerprinting results are held in the database for only ten days. After the ten days, they are terminated and no longer accessible to Clementon Police Department for review.

FLOOR PLAN:

On a separate sheet of paper please provide a to-scale floor plan of the business. A layout of the building's interior that shows all rooms, doorways, entrances, exits, storage closets, dining tables and chairs, reception desks, merchandise displays, cash register, waiting rooms, etc.

If activity such as outside dining or live music is wished to occur, a separate floor plan showing the layout is needed.
