## **STEPS TO COMPLETE IDENTIFYING YOUR SERVICE LINE MATERIAL**

Email or drop off at Borough hall, see Tori Kupsey:

- Email [vkupsey@clementon-nj.com](mailto:vkupsey@clementon-nj.com)
- The section of the line that is being checked for is between the meter and the outside of the house
- Either have a clear picture of your service line material or have one on your cellular device
- Your service water line will come through the foundation slab or the wall and it will have a meter on it
- If you have a magnet, see if it sticks to the line material and note that
- Ask Tori how to use the Borough website to input the information
- Call Borough hall 856-783-0284 or the number on the front page.

**THIS SECTION OF PIPE IS WHAT IS BEING LOOKED FOR**
