

Borough of Clementon - Safe Routes to School
Gibbsboro Road (CR 686) And Berlin Road (CR 534) Intersection Improvements
Borough of Clementon, Camden County, NJ

PUBLIC INFORMATION CENTER

Dear Resident,

You are invited to a Public Information Center for Gibbsboro Road (CR 686) And Berlin Road (CR 534) Intersection Improvements project. The purpose is to inform residents and stakeholders of the proposed plan, obtain feedback, answer questions, and discuss any concerns.

Tuesday, April 21st, 2026,
From 6 PM to 8 PM
at

the Clementon Borough Hall
101 Gibbsboro Road, Clementon, NJ 08021

About the Project

Clementon Borough received a Federal Grant through NJDOT Local Aid's Safe Routes to School Program to design and construct improvements to the Gibbsboro Road and Berlin Road intersection. The project also includes:

- Upgrade the existing traffic signal, signal heads, pedestrian countdown heads/pushbuttons
- Install ADA-compliant curb ramps at the intersection and Railroad crossings
- Install high-visibility crosswalks, and ADA-compliant curb ramps
- Construct sidewalks and Signage and striping improvements along intersections
